will talk about
Grading Tokens and Coins

President's

Message

We are now incorporated as nonprofit corporation with the State of Utah. I had my tax lady put a financial statement together for taxes, and for the end of the year the incorporation needs to be filed again with this statement.

I located insurance with Allstate for club insurance for doing the coin show, We need to set this up with them two months before the show. Now it looks like two million worth, and with the incorporation, our board and club members should breath a little easier on the liabilities of the show and potential damage of the building. Our contract with the Larry Miller Center has the club responsible for additional cleaning or damages caused by the show, and all liens against the Larry Miller Center. We paid the deposit of \$480 for 2005 to host the show. This gives the club a little additional money to operate with.

3. Do not submit copyrighted materials, including photographs or artwork.
4. Please type narrative, or print clearly in black or blue ink. Illegible entries cannot be considered.
5. Submissions must be postmarked by March 1, 2005. Any submissions postmarked after that date will not be considered.

I would like to see Utah represented nationwide with the following design concept: (100 words or less)

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slightly textured appearance and some minor discoloration or smudges, particularly near the top edge.
